

## *Jesus To Me*

Heavenly Father, thank you for drawing me to Jesus and for revealing him to me. Because of your generosity I have received the gift of life in Christ Jesus.

Jesus, I thank you for making it possible for me to be a child of God. You gave up your life so that I could have a new, wonderful, and blessed life.

You are my shield, defender, and hiding place. You are my provider, counselor, great shepherd, and intimate friend.

You have saved me, and keep me, by your power, from sin and death. You restore, rescue, forgive and redeem me.

You are the captain of the host of people and the host of angels. You are my banner, and my standard, and mighty in battle. You, Jesus, are the King of Kings and Lord of Lords.

You are crowned with glory and honor, and are my savior, sanctifier, redeemer and my merciful and faithful High Priest.

Jesus, you are the Alpha and Omega, the beginning and the end. You were dead but now you are alive forevermore and seated at the right hand of God the Father.

You destroyed death, and led captivity captive. You are my anchor, strong tower, shield, and defender.

You are the supreme sacrifice, and the spotless and blameless lamb.

Your presence doesn't cast any shadow because you are the light that lights the heavenly city. You are the light of the world and the giver of life.

Jesus you are the door, the way and the truth.

You are the treasure, the pearl of great price, and more precious than fine gold.

You were the rock of ages before any mountain peaks were formed; the bread of life before there was any grain; the lily of the valley before there were any flowers on the earth.

You are the eternal intercessor. You are and holy, harmless, undefiled, and separate from sinners, higher than the heavens. The Father makes your enemies your footstool and you laugh at your adversaries.

You are the tree of life. You are consecrated forever and by your precious blood have made me sanctified forever.

## *Jesus To Me*

You are the minister of the sanctuary and the mediator of the new covenant.  
You are the new and living way.

You were born contrary to the laws of birth. You lived contrary to the laws of life. You healed, contrary to the laws of medicine. You were tried and condemned contrary to the laws of justice and You arose, contrary to the laws of death and the grave. You ascended contrary to the laws of gravity and You are coming back again contrary to the expectation of the world.

Jesus, you are the same yesterday, today and forever and the great shepherd of all the sheep.

Jesus, you are the holder of keys of death and hell, you are the amen, and the final word.

You alone are qualified to open the Book. You are the expression of the heart of the Father,  
Your love has no limits, Your grace has no measure, Your power has no boundaries  
known unto men.

You are the word made flesh and the honey in the rock,  
You are more precious than gold and the glory and lifter of my head.

You are the righteous judge, a refuge for the oppressed and you never  
forget the cry of the humble

You bore my sorrows and my grief's. You were despised and rejected of men and now  
you control the destiny of the nations. The kingdoms of this world are going to become the king-  
doms of our Lord and of His Christ; and you shall reign forever and forever.

You are my portion and my inheritance. Your garments smell of sweet myrrh and  
your breath is as a sweet apple. You are a very present help in trouble.

You hide me under the shadow your wings, and keep me as the apple of your eye.

You are my high tower. You make the hills shake, the mountains melt, and the heavens bow.

You are the bright candle in the darkness because you are the light of life.

You make the crooked paths straight and the rough places plain.  
You split history, and divided the ages.

You are the greatest teacher the world has ever known and you are the Baptizer in the Holy Ghost.  
You preserve the faithful. You are the resurrection and the life.

## *Jesus To Me*

You spoke and framed the world. You make my way perfect and You made my feet and cause me to walk in high places. You comfort, guide and bless me.

You turn my mourning into dancing and gird me with gladness.

God has highly exalted You and given You a Name above every name and at your name every knee shall bow and every tongue shall confess that You are Lord of all.

You led captivity captive and gave gifts to men. You brought a stream out of a rock, and fed the people in the wilderness. You fed 5,000 with two loaves and a few fish.

You are a Savior to the lost, healing to the sick, hearing to the deaf and sight to the blind.

You are cleansing to the leper, and strength to the weak. You are comfort to the oppressed, hope to the hopeless and help to the helpless.

Jesus, you are infinite, eternal, glorious and full of majesty.

One day in your courts is better than a thousand elsewhere. I would rather be a doorkeeper in your house than to dwell in the tents of the wicked.

You are sweeter than all the flowers, the lover of my soul and the keeper of my heart.

JESUS, I worship and praise you. Thank you that I belong to you and that you love me.
